

REMARKS

Applicant has studied the Office Action dated August 29, 2005 and has made changes to the disclosure. It is submitted that the application, as amended, is in condition for allowance. No claims have been cancelled, added or amended. After this amendment, claims 1-8 and 18-21 remain pending. Reconsideration and allowance of the pending claims in view of the changes to the disclosure are respectfully requested. In the Office Action, the Examiner:

- (1) Objected to the disclosure because of an informality in the Brief Description of the Drawings; and
- (2) Indicated that claims 1-8 and 18-21 are allowable.

As an initial matter, the Applicant wishes to thank Examiner Lee for indicating that claims 1-8 and 18-21 are allowable. By virtue of this Amendment, the Brief Description of the Drawings was amended to include a separate brief description of each figure. This amendment corrects the informality pointed out by the Examiner. Therefore, Applicant requests that the Examiner's objection to the informality in the disclosure be withdrawn.

CONCLUSION

Applicant acknowledges the continuing duty of candor and good faith to disclosure of information known to be material to the examination of this application. In accordance with 37 CFR §1.56, all such information is dutifully made of record. knowingly surrendered and everything else is unforeseeable at the time of this amendment by the Applicant and his attorneys.

Applicant respectfully submits that all of the grounds for rejection stated in the Examiner's Office Action have been overcome, and that all claims in the application are allowable. No new matter has been added. It is believed that the application is now in condition for allowance, which allowance is respectfully requested.

PLEASE CALL the undersigned if that would expedite the prosecution of this application.

Respectfully Submitted,
